

## Centre Championship Exemption Request Form

For the 2020/2021 competition season the qualification requirements as set by the SDLAC Committee was defined in the White Book in Regulations for Centre Competition point 27.

This was revised at the SDLAC Committee meeting held on Thursday 11<sup>th</sup> February 2021, to reflect the impacts of Covid on the season. The reference to three (3) in section 27 was revised to 'ONE (1)' such that the revised qualifications for Centre Championships for the 2020/21 season now reads as:

This applies to all age groups competing at SDLAC. Athletes may qualify for as many events at Centre Championships as their respective age group allows. **Please note the Executive Committee may vote to amend this regulation for all age groups.***
